Challenges

In very given institution, organization, department or agencies, it is obvious for workers within those institutions to face challenges or constrains. And of course we are not an exception to this effects. As such, the following are the challenges faced during our course of our internship programme:

Limited Working Resources

- 1. Funding
- 2. Transportation
- 3. Computer
- 4. Allowances
- 5. Identification

Recommendation

With all of the aforementioned, these are the following recommendations for future Interns:

- 1. Provide more working resources
- 2. Provide allowance for Interns
- 3. Provide identification for future Interns [polos, cap, and ID card]
- 4. Provide more training for future Interns

THANK YOU
