Network AID History

Network AID foundation is laid on the premise that every person or thing is important and contribute to the welfare and wellbeing of existence, with the core value of transparency and accountability, professionalism, volunteerism, impartiality...

In 2013, 16th June Network AID was founded to amplify the voice and contributions of illiterate women in socio-economic development and political stability in society; with three young girls been

Six (6) months into it formation, Ebola struck and operation was suspended until December 2020. Three (3) into it revitalization, COVID19 hit Sierra Leone yet continue to rebrand it programmes to fit the current realities of it constituents (illiterate women and girls, youths, person's with disability and deprived children).

Sia Tengbeh an illiterate petty trader (late) the inspiration of Network AID

it first volunteers that described the emblem of the organisation which is currently in use.

Four (4) years on, Network AID has 90% of it five years set target which are:-

- **Visibility,**
- **Structure,**
- **Policies**
- **Audited Report**
- **Legal Status**

Our Approach

Giving the nature and important of our constituent, we are working with, it is obligatory we uses the [responsibility-based approach](#) (pro-poor people center). Our approach is thrust on the belief that citizen, voice, action, responsibility and recognition (CVAR).

CVAR is based on the belief that each citizen (rights holders) and the

government (duty bearers) are at the center and have the responsibility to hold each other into account for not fulfilling each other responsibility

Users + Government + Providers = Accountable Responsibility

Network AID is a voluntary charitable nonpolitical, not-for-profit human rights organization founded on the 16th June 2013 and revitalized its operation in 2020. The organization seeks to contribute to national and international agenda of empowering illiterate women/girls, youths, persons with disability and deprived children in society to realize their full potential irrespective of religion, ethnic background, tribe and cultural heritage. It believes in the fundamental principles of human rights, neutrality, volunteerism, and professionalism. Impartiality, integrity.

We envision an informed society of illiterate women/girls, youths, and persons with disability and deprive children for a sustainable, corrupt-free, and healthy population. We aim to enhance the well-being and welfare of our constituents' development and participation in a productive and corrupt-free society.

As an organisation our intervention hinges on three programmatic focuses: -

Education & Livelihood: - pro-poor microfinance, adult education, ICT, Agriculture.

Health & Safety: - HIV/AIDS, SRHR, SGBV, Cancer, Mental Health, WASH, Disaster. Incident & Accident

Governance & Participation: - Human Rights, Policies, Legal framework, Representation and Participation
